I wasn't sure which of you would get this, so I'm including both of you on it. Just a simple statutory language request for the upcoming budget.

**DEPARTMENT OF PUBLIC INSTRUCTION
2011-13 BIENNIAL BUDGET
DRAFTING REQUEST TO THE LEGISLATIVE REFERENCE BUREAU**

☒ Draft for Possible 2011-13 Budget Bill Introduction (*Agency Decision Item No. xxxx*)

Subject: Repeal of Appropriations and Statutory Language for Grants to School Districts, Global Academy, Distance Learning

Request Date: September 15, 2010

Agency Contact: Mike Bormett, 266-2804

Brief Description of Intent:

The department requests to repeal the appropriations and statutory language created in 2009 Wisconsin Act 28 regarding grants to Global Academy, distance learning, and school districts. Act 28 created the following language:

20.255 (2) (de) to pay \$60,000 to each of the following school districts for the specified purposes: (a) Pepin Area, for technology improvements and technology to install a distance learning lab, (b) Cochrane-Fountain City, for transportation, class-size reduction, and comprehensive education, and (c) Plum City, for transportation and specialized instruction.

20.255 (2) (er) to award a \$50,000 grant to the consortium of 7 school districts in Dane County known as the Global Academy to support planning and development.

20.255 (2) (es) to award a \$50,000 grant to the Chequamegon School District for a distance learning lab.

Each of these appropriations was created with the stipulation that no money could be encumbered after June 30, 2010. All money in these appropriations was paid out in FY10; therefore, no funds remain. Because the statutes created these appropriations for FY10 payments only but did not sunset the appropriations, they will not go away automatically. The department, therefore, would like to clean-up its chapter 20 schedule and remove these one-year commitments.
